#### Fees and Payments

**Vince Panagiotidis** is a professional adviser who receives payment for the advice and services provided. Your adviser will receive payment either by collecting a fee for service, receiving commissions, or a combination of both.

**Fee for service** - Fees are charged according to the work undertaken by your adviser and may be charged on an hourly basis or as a flat fee. A fee may be charged for the initial work in developing and implementing a strategy, as well as for ongoing monitoring and reviews.

Commission – Your adviser may receive upfront and ongoing commission for the personal insurance services they provide. Whilst there are a number of commission rates available, with effect from 1 January 2020, Life Insurance commissions are capped at 66% (including GST). Ongoing commission on Life Insurance is capped at 22% (including GST) on renewals.

Commissions are not an additional charge to you, they are paid by product providers for insurance or investment policies.

**Our fees and charges** vary according to the scope and complexity of the advice required. The scope of the work and the fees charged for services are agreed with clients prior to commencing work.

As a guide **Vince** advice fees are \$660 per hour including GST.

The above hourly fee is only a rough indication. The fees charged are only representative of the advice document to be written up. As such, the Statement of Advice preparation fee can change depending on the service provided to the client. This amount will be charged as an invoice that will be billed to the client for the client to pay either as a direct cash payment or via superannuation.

The Statement of Advice provided to you by your adviser will clearly set out all fees, charges and commissions payable.
